

Little Levity Electronic Press Kit, 2026

Location Worcester, MA, **Formed** 2006, **Genre** Rock/Jam Band, **Influences** The Beatles, Quicksilver Messenger Service

Biography A staple of the Massachusetts music scene, Little Levity is known for their collaborative spirit, engaging live performances and a dynamic catalog of original music. In performance the band blends the great songwriting of The Beatles and their own narrative songwriting with the extended, improvisational guitar solos reminiscent of the classic San Francisco jam bands.

Upcoming Album (2026) To mark their 20th anniversary, Little Levity's upcoming album XX features an expanded lineup including longtime members Tim Gunderman, Lawrence Strauss, and Fran Reagan, alongside Steve McConnell, Sandi Gunderman, Shiloh Gunderman and Paul Provost. Paul Provost recorded us and Steve McConnell mixed it. The album promises to deliver the band's signature blend of storytelling and expressive musicianship.
